Applicant(s): KRAENZLER, E., et al

Serial No.: 10/564,668

Filed: 01/13/2006

For: TOOL HOLDING DEVICE

RENEWED REQUEST FOR STATUS UNDER 37 CFR 1.42

April 25, 2007

Honorable Commissioner of
Patents and Trademarks
Washington, D.C. 20231

Attention: Bryan Lin, PCT Legal Examiner
PCT Legal Office

Reference is made to the Decision dated February 9, 2007.

The said Decision indicates that the Declaration filed January 13, 2006 is not executed by the legal representative of the deceased inventor.

Additionally, it has been noted that the Declaration lists two inventors, Christof Hoelzl and Johann Huber who are not listed in the published international application.

It has been indicated that none of the requirements of 37 CFR 1.497(d) have been satisfied in this respect.

Applicant now submits herewith a Declaration for the subject PCT application executed by the inventors other than the deceased Markus Heckmann on their own behalf and on behalf of the deceased inventor, Markus Heckmann, and his legal representative Kirsten Heckmann residing at and whose postal address is Joh.-Seb.-Bach-Strasse 34, D-70771 Leinfelden-Echteidingen, Germany, a citizen of Germany.

It is noted that Kirsten Heckmann, the legal representative of Markus Heckmann, deceased, is refusing to execute the subject application.

It is further noted that on August 29, 2006 a letter was sent with enclosures to Mrs. Markus Heckmann at her address of record via FedEx requesting signature as the legal representative of her deceased husband.

Further attached hereto is the FedEx receipt for the transmission of the letter with enclosures.

No documents have been received because Kirsten Heckmann is refusing to execute any documents on behalf of her deceased husband.

Further attached hereto in this respect is a statement of Kirsten Heckmann indicating that she is refusing to sign any documents on behalf of her deceased husband.

Accordingly, acceptance of the Declaration pursuant to the provisions of Rule 47 are respectfully requested.

It is further noted that the Declaration lists two inventors were not listed in the published international application.

37 CFR 1.497(d) indicates that if the oath of declaration, names an inventive entity different from the inventive entity set forth in the international application, the Declaration must be accompanied by a statement from each person being added as an inventor, that any error in inventorship in the international application occurred without deceptive intent. A consent of the assignee is further required.

Applicant now submits herewith a Declaration of the inventors together with a Consent on behalf of the assignee.

Acceptance of the subject application is now respectfully requested.

Respectfully submitted,

/ Michael J. Striker /

Shipping Label: Your shipment is complete This shipping label constitutes the air waybill for this shipment.

1. Use the "Print" feature from your browser to send this page to your laser or inkjet printer. Fold the printed page along the horizontal line.

2. Place 2 originals of the shipping label in the pouch and affix it to your shipment so that the barcode portion of the label can be read and scanned.

Warning: Use only the printed original label for shipping. Using a photocopy of this label for shipping purposes is fraudulent and could result in additional charges, along with the cancellation of your FedEx account number.

LEGAL TERMS AND CONDITIONS OF FEDEX SHIPPING DEFINITIONS. On this Air Waybill, "we", "our", "us", and "FedEx" refer to Federal Express Corporation, its subsidiaries and branches and their respective employees, agents, and independent contractors. The terms "you" and "your" refer to the shipper, its employees, principals and agents. If your shipment originates outside the United States, your contract of carriage is with the FedEx subsidiary, branch or independent contractor who originally accepts the shipment from you. The term "package" means any container or envelope that is accepted by us for delivery, including any such items tendered by you utilizing our automated systems, meters, manifests or waybills. The term "shipment" means all packages which are tendered to and accepted by us on a single Air Waybill. **AIR CARRIAGE NOTICE.** For any international shipments by air, the Warsaw Convention, as amended, may be applicable. The Warsaw Convention, as amended, will then govern and in most cases limit FedEx's liability for loss, delay of, or damage to your shipment. The Warsaw Convention, as amended, limits FedEx's liability. For example in the U.S. liability is limited to \$9.07 per pound (20\$ per kilogram), unless a higher value for carriage is declared as described below and you pay any applicable supplementary charges. The interpretation and operation of the Warsaw Convention's liability limits may vary in each country. There are no specific stopping places which are agreed to and FedEx reserves the right to route the shipment in any way FedEx deems appropriate. **ROAD TRANSPORT NOTICE.** Shipments transported solely by road to or from a country which is a party to the Warsaw Convention or the Contract for the International Carriage of Goods by Road (the "CMR") are subject to the terms and conditions of the CMR, notwithstanding any other provision of this Air Waybill to the contrary. For those shipments transported solely by road, if a conflict arises between the provisions of the CMR and this Air Waybill, the terms of the CMR shall prevail. **LIMITATION OF LIABILITY.** If not governed by the Warsaw Convention, the CMR, or other international treaties, laws, other government regulations, orders, or requirements, FedEx's maximum liability for damage, loss, delay, shortage, misdelivery, nondelivery, misinformation or failure to provide information in connection with your shipment is limited by this Agreement and as set out in the terms and conditions of the contract of carriage. Please refer to the contract of carriage set forth in the applicable FedEx Service Guide or its equivalent to determine the contractual limitation. FedEx does not provide cargo liability or all-risk insurance, but you may, at an additional charge for each additional U.S. \$100 (or equivalent local currency for the country of origin) of declared value for carriage. If a higher value for carriage is declared and the additional charge is paid, FedEx's maximum liability will be the lesser of the declared value for carriage or your actual damages. **LIABILITIES NOT ASSUMED.** IN ANY EVENT, FEDEX WON'T BE LIABLE FOR ANY DAMAGES, WHETHER DIRECT, INDIRECT, INCIDENTAL, SPECIAL OR CONSEQUENTIAL IN EXCESS OF THE DECLARED VALUE FOR CARRIAGE (INCLUDING BUT NOT LIMITED TO LOSS OF INCOME OR PROFITS) OR THE ACTUAL VALUE OF THE SHIPMENT, IF LOWER, WHETHER OR NOT FEDEX HAD ANY KNOWLEDGE THAT SUCH DAMAGES MIGHT BE INCURRED. FedEx won't be liable for your acts or omissions, including but not limited to incorrect declaration of cargo, improper or insufficient packaging, securing, marking or addressing of the shipment, or for the acts or omissions of the recipient or anyone else with an interest in the shipment or violations by any party of the terms of this agreement. FedEx won't be liable for damage, loss, delay, shortage, misdelivery, nondelivery, misinformation or failure to provide information in connection with shipments of cash, currency or other prohibited items or in instances beyond our control, such as acts of God, perils of the air, weather conditions, mechanical delays, acts of public enemies, war, strike, civil commotion, or acts or omissions of public authorities (including customs and health officials) with actual or apparent authority. **NO WARRANTY.** We make no warranties, express or implied. **CLAIMS FOR LOSS, DAMAGE OR DELAY. ALL CLAIMS MUST BE MADE IN WRITING AND WITHIN STRICT TIME LIMITS. SEE OUR TARIFF, APPLICABLE FEDEX SERVICE GUIDE, OR STANDARD CONDITIONS OF CARRIAGE FOR DETAILS.** The Warsaw Convention provides specific written claims procedures for damage, delay or non-delivery of your shipment. Moreover, the interpretation and operation of the Warsaw Convention's claims provisions may vary in each country. Refer to the Convention to determine the claims period for your shipment. The right to damages against us shall be extinguished unless an action is brought within two years, as set forth in the Convention. FedEx is not obligated to act on any claim until all transportation charges have been paid. The claim amount may not be deducted from the transportation charges. If the recipient accepts the shipment without noting any damage on the delivery record, FedEx will assume the shipment was delivered in good condition. In order for us to consider a claim for damage, the contents, original shipping documents and packing must be made available to us for inspection. **MANDATORY LAW.** Insofar as any provision contained or referred to in this Air Waybill may be contrary to any applicable international treaties, laws, government regulations, orders or requirements such provisions shall remain in effect as a part of our agreement to the extent that it is not overridden. The invalidity or unenforceability of any provisions shall not affect any other part of this Air Waybill.
